THE

SupaLite

EXTRA LIGHT WEIGHT TILED ROOF SYSTEM

Converts your conservatory into a usable all year round sun-porch with amazing insulating properties

The **SupaLite** roof system has been designed to be installed as a retro fit onto existing conservatory window frames, converting your conservatory into a usable all year round sun-porch. We can build you a new sun-porch from scratch should you require us to provide this complete service.

If you have an existing conservatory, you will probably agree that it is too hot in summer and very cold in the winter. With the incredible u-value of just 0.18 (0.15 for the Scottish market) of the **SupaLite** roof system you will never experience these extreme temperature changes ever again!
